- 10 monthly webinars on timely subjects critical to the talent development professional;
- Access to 11 monthly newsletters with current information for talent development professionals.
- Access to the TOC website that contains talent development articles and links to private and public-sector resources; and,
- TOC Annual Institute (AI) in Norfolk, VA: Three days of concurrent professional development workshops:
  - Registration for TOC AI includes workshops, materials, lodging, meals and an exhibitor showcase of the latest talent development products; and,
  - This year, we are adding a daily rate of only \$200, including meals, for anyone in the greater Norfolk area!

Please note that registrants will enjoy every aspect of our 5-star professional development program—so register today! Remember, your registration is transferrable to anyone in your office.

We are extremely proud of all that TOC accomplished during the past program year and even more excited about what's to come.

- Celebrated 79 years with 77 Federal departments/agencies, 12 universities and 30 companies (vendors) participating in our educational and networking programs.
- Delivered an exceptional three-day Institute with dynamic speakers, presenters and exhibitors in Virginia Beach, VA

- Awarded scholarships to two students pursuing degrees at University of the District of Columbia as well as celebrated our 63rd Annual Distinguished Service Awards Program recognizing outstanding talent development professionals.

TOC remains by far the best value for your dollar and continues to be committed to Federal Government training, education and learning. The 2019 three-day Annual Institute will take place in Norfolk, VA at the Norfolk Waterside Marriott from April 28- May 1, 2019. The workshops will focus on such topics as Leadership Development, Training Design & Development, Career Development, Learning Measurement & Analytics and Learning Technologies.

We look forward to learning with you throughout the year and seeing you at our opening program on Tuesday, September 11, 2018 at 12:00pm at the City Club of Washington.

With Gratitude and Service,
